Software Developer – Permanent

Location: UK, Bury St Edmunds

Salary: Competitive

## The mission…

We are seeking a Developer, experienced in C#, who is looking to be part of a fun and highly-skilled team building web solutions and mobile applications. You will join our existing team where you will jump straight in to a variety of client led projects as well as working on some internal projects as part of our SourceCodeStudio division.

We're looking for a committed person who is passionate about their work and wants to make a real difference. We ask all of our employees to live and breathe our culture and values and in return, we'll give you all of the tools and support you need to achieve great things.

## What you'll do…

- Work as an integral part of a great and growing team
- Write beautiful software that will bring client projects to life
- Help train and grow more junior members of the team
- Have fun

## What you'll bring…

- Curiosity      - you'll want to know how stuff works
- Teamwork     - someone equally happy playing solo player or as part of a team
- Resilience     - someone who doesn't give up
- Innovation    - you will think outside of the box
- Motivation    - a self-starter who doesn't need a list of instructions

## What you'll need…

- Experience in Microsoft Stack or Web Stack
- Familiarity within the Visual Studio environment
- A good working knowledge of C# (minimum of 2 years in a commercial environment)
- An understanding of SQL server or equivalent database technology

## What it's like to work at Green Duck…

We love two things; Innovation and people. We work our socks off to create and deliver first-class technology and training solutions to businesses throughout the UK and Europe.

We'll provide you with a challenging and energetic environment, working with like-minded, awesome people. No day will be the same and we'll promise to support and nurture you throughout your journey with us.

On top of that, you can expect all sorts of perks including a company-contributed pension, childcare vouchers and regular social events.

If this sounds like your cup of tea, send us your CV and we'll get back to you as soon as possible.
